Thank you, Jessica. Blair, sorry for the delay: I have been swamped at work. I'll plan to give you a call this week. Are you available to talk briefly tomorrow (Wednesday) afternoon? Maybe around 4?

To give you some context, I recently joined the Eagle Rock Neighborhood Council as the Business Director, and one of my projects is to investigate the possibility of one day establishing a BID in our neighborhood.

Thanks much,
Ron

Ron, my number is 213.700.9829. Let me know what times work for you. I can move things around M- F during the day to make it work.

Dear Blair -

Please allow me to introduce you to my friend Ron Chowdhury, who is a fellow parent in Kaya's class and an Eagle Rock resident.

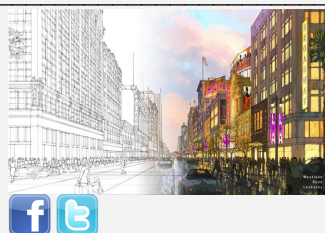

He's interested in the idea of a BID in Eagle Rock. I have been a long-time proponent of that idea, and shared some info about the general way it works recently in a facebook group discussion for the neighborhood. Ron wants to pick up the mantle and investigate feasibility.

I thought you'd be a great resource for him and was hoping to connect the three of us together very soon. However, I can't do anything until after Night on Broadway (as you know) and I think he was hoping to get some primer info before that, if you're able.

Perhaps you can set a time to meet for some coffee? I'd be pleased to join if I can, but can't promise until after this massive task is over!

Thanks so much.
